|---|--|
| 1 Praise, my soul, the King of heaven;
To his feet thy tribute bring;
Ransomed, healed, restored, forgiven,
Evermore his praises sing;
Alleluia! Alleluia!
Praise the everlasting King. | 3 Father-like he tends and spares us;
Well our feeble frame he knows;
In his hand he gently bears us,
Rescues us from all our foes.
Alleluia! Alleluia!
Widely yet his mercy flows. |
| 2 Praise him for his grace and favor
To our fathers in distress;
Praise him still the same as ever,
Slow to chide, and swift to bless:
Alleluia! Alleluia!
Glorious in his faithfulness. | 4 Angels, help us to adore him;
Ye behold him face to face;
Sun and moon, bow down before him,
Dwellers all in time and space.
Alleluia! Alleluia!
Praise with us the God of grace. |

Saint Hubertus

The International order of St. Hubert is the oldest hunting organization of its kind in the world. It was founded by Count Franz Anton Sporck in 1692 and reconstituted by Albert F. Messany of Vienna at the request of Chancellor Figl of Austria in 1950 under the auspices of the Ministry of Agriculture and Forestry. The Order is registered in the county of Kirchdorf, Austria.

Wherever you travel in Europe and wherever outdoorsmen congregate, you will see the time honoured universal symbol of the Order — a cross emblazoned between the antlers of a Royal Stag. This emblem originated in the 8th century when the Order was established in the Ardennes Forest which borders France and Belgium.

St. Hubert was born November 3 in the year 670. His birthday is celebrated by sportsmen throughout the world. This date is a religious holiday in Austria where sportsmen meet in their traditional costumes in one of the many churches dedicated to St. Hubert, to receive their blessing and to repeat their sacred obligation — "To see that no free living animal or living plant will ever become extinct."

During the protectorate of Austria by the four powers, the United States, Great Britain, France, and the U.S.S.R., following World War II, the reconstituted Order had its rebirth in Vienna, and four American sportsmen and one Britisher became Knights of the Grand Chapter in recognition of the great contribution these men in their respective offices had made to the present and future welfare of the Federal Republic of Austria. These men became members of the North American Chapter.

George U. Wood, K.G.O.,

In 1966 George Wood was appointed Grand Prior and founded the North American Chapter in 1968.

The first investiture of the North American Chapter took place at the Bohemian Club in San Francisco on St. Hubert's birthday, November 3, in 1968, and Albert Messany, the Grand Master presided.

On November 3, 1975, Albert Messany, Restitutor and Grand Master announced his retirement because of ill health, and George Wood, having fulfilled all requirements prescribed by the constitution was elected Grand Master.

In June of 1979, The Grand Master, George U. Wood announced his retirement, because of ill health. Karl Christian Weber having fulfilled all the requirements of the constitution and the rules and regulations, was appointed Grand Master of the International Order of St. Hubert. Mr. Weber is a native of Austria and served as Honourary Consul General of Austria in San Francisco.

The purposes of this venerable Order are three fold:

1. To foster a spirit of brotherhood and fellowship among true sportsmen and to maintain the highest standards of sportsmanship among members.
2. To foster and encourage measures for the preservation of the habitats of wildlife and the conservation of such wildlife.
3. To encourage, sponsor and support all reasonable measures for the attainment of those objectives and purposes to the end that succeeding generations may continue to enjoy the heritage of the true sportsman.
