Ranks within the International Order of St. Hubertus

Squire

This is the entry level for all new members in the Order. It signifies that the individual has met all membership requirements and has been accepted into the Order. Each squire must participate in the activities of the Order and demonstrate support of the Order. The Squire may then be recommended by his sponsor to the Prior and Grand Prior to be invested as a Knight.

Knight

This is the first rank of Knight and is conveyed to an individual in a formal investiture ceremony where he is dubbed by the Grand Master of the Order or his designate and given the Knight Medal and Cape.

Knight Officer

This second level rank of Knight is typically conveyed on a Knight that has been active in the Order for several years after his investiture as a Knight.

Knight Commander

The Knight Commander has clearly demonstrated leadership in the Order after several years and he has been pro-active with participation and support of events/venues and enlisting new members into the Order.

Knight Grand Officer

This highest rank is reserved for the leaders of the Order. Typically 10% or less of the Ordensbrothers attain this rank which not only requires a very pro-active stance in many areas within the Order but also significant interaction with ordensbrothers throughout the Chapter and around the world.

The History of the International Order of St. Hubertus

The International Order of St. Hubertus is the oldest hunting organization of its kind in the world. It was founded by Count Franz Anton Spork in 1695 in Austria. Although the original Register was lost, it is possible to reconstruct who some of the first Ordensbrothers were through the written notes of Spork.

The following names are mentioned: Emperor Karl VI, King August I, of Saxony and Poland, King August II, King August III, Hersog Morits Adoff, Bishop of Koenigsgraetz, Herzog von Bavaria, The Prince Eugen and Emanuel von Savoy, The Herzogs of Braunschweig and Wuerttemberg, and many of the Princes of the leading families. The last Prince taken into the Order by Spork was Prince Jerome Radziwill.

The endless wars in Europe were the cause for the cessation of the Order. Reichs Hunting Master, Hermann Goering, did not allow the existence of a hunting organization outside the "German Hunting Association," Deutsche Jaegerschaft. Perhaps one reason for this was that he demanded membership in the Order, was refused by the Grand Prior, and then immediately executed the Grand Prior.

After the war Austria was again free, and the Order was restituted by Albert F. Messany of Vienna, at the request of Chancellor Figl of Austria, on May 1, 1950 under the auspices of the Ministry of Agriculture and Forestry. The Order is registered in the county of Kirchdorf, Austria.

Whenever you travel in Europe, and wherever outdoorsmen congregate, you'll see the time honored universal symbol of the Order - a cross emblazoned between the antlers of a Royal Stag. This emblem originated in the 8th century when the Order was established in the Ardennes Forest which borders France and Belgium.

St. Hubert was born November 3 in the year 670. His birthday is celebrated by sportsmen throughout the world. This date is a religious holiday in Austria where sportsmen meet in their traditional costumes in one of the many churches dedicated to St. Hubertus, to receive their blessing and to repeat their sacred obligation - "To see that no free living animal or living plant will ever become extinct."

During the protectorate of Austria by the four Powers, the United States, Great Britain, France, and the U.S.S.R., following World War II, the restituted Order had its rebirth in Vienna on May 1, 1950. Four American sportsmen, and one Britisher became Knights of the Grand Chapter in recognition of the great contribution these men in their respective offices made to the present and future welfare of the Federal Republic of Austria. These men became members of the North American Chapter.

General Mark W. Clark, K.G.O., Commanding General of the Allied Armed Forces in Austria

Halvor O. Eger, K.G.O., Chief Political Advisor to the Armed Forces

George U. Wood, K.G.O., Consultant to the Ministry of Health for the Establishment of Hospitals and Health Facilities

Baron Harold Anthony Caccia, K.G.O., High Commissioner of Great Britain & Former British Ambassador to the United States of America

In 1966 George Wood was appointed Grand Prior of the United States and founded the United States Chapter in 1968.

The first investiture of the United States Chapter took place at the Bohemian Club in San Francisco on St. Hubert's birthday, November 3, 1968, and Albert Messany, the Grand Master presided.

On November 3, 1975, Albert Messany, Restitutor and Grand Master announced his retirement because of ill health, and George Wood, having fulfilled all requirements prescribed by the constitution was elected Grand Master.

In June of 1979, The Grand Master, George Wood announced his retirement, because of ill health. Karl Christian Weber, having fulfilled all the requirements of the constitution and the rules and regulations, was appointed Grand Master of The International Order of St. Hubertus. Mr. Weber was a native of Austria and served as Honorary Consul General of Austria, in San Francisco.

Karl asked His Imperial Highness, Archduke Andreas-Salvador von Habsburg-Lothringen to be the Protector of the Order, and thus we again became a Royal Order.

In the spring of 1991 Karl Christian Weber announced retirement because of ill health, and appointed His Imperial Highness, Archduke Andreas-Salvador von Habsburg-Lothringen as Grand Master.

Upon taking the position of Grand Master, the Archduke asked his Royal Highness, Juan Carlos, King of Spain, to be our Protector, and he agreed to do so.

This is the status of the Order on March 20, 2010 as we perform our twentieth investiture in the United States of America.
